The Ranges are Open Normal hours

7:00 AM till 5:00 PM

Introduction to High Power Rifle & M1 Qualification Clinic

Offered *Sunday, April 29th* at Rio Salado Sportsman's Club, this one-day class introduces shooters to high power rifle competition and is one of the ways to be eligible to purchase Rifles from the Civilian Marksmanship Program (CMP). The program includes classroom instruction and a 35-shot match consisting of 5 sighting shots, 10 rounds prone slow-fire; 10 rounds prone rapid-fire; and 10 rounds standing slow-fire. Shooting is at 200-yards using iron sights or scope, with students learning to scoring and to "pull" targets. Club M1 Garand & AR-15 loaner rifles are available for students who need them.

Ammunition (.30-06 and .223 cal.) may be purchased at a cost of \$30 for 35 rounds (no other calibers sold). While Club ammunition is required for Club guns, **students may bring their own rifle and ammunition, but NO tracer or armor piercing ammunition.** Any of the following rifles may be used Garand, Springfield, and M1A, any as issued Military bolt action or AR15. Students should plan to bring lunch and water, binoculars or spotting scopes, notepaper and pens. Long-sleeved pants and shirts, a ball-cap, shooting jacket or sweatshirt, glove for the non-trigger hand, and sun-screen are recommended. *Safety glasses and ear protection are mandatory.*

Open to adults, and juniors **14 years** and older. Fee is \$35 for adults, \$20 for juniors under 21.

For more Information please see the Highpower Division webpage at:
