**PRACTICAL BAY USE PROCEDURE**

***If you are approved to use the practical bays please read the following:***

1. Return stands and sticks you use from the practice sheds and **lock the door before you leave.**
2. **Pick up brass** and **throw away trash.** (water bottles, used targets, empty ammo boxes, paint cans, tape... etc.)
3. Steel stands & Barrels are **to be returned** stacked neatly on the side **in the same bay you found them.**

***If you have any questions regarding range/equipment use, please ask your division director or the range manager first.***

***Thank you for your help in keeping our range clean/safe and the best range in Arizona!***

**Member Certification process for access to the PB, HP & SB ranges**
