## Attention Members and Supporters of RSSC

As most of you know we have erected a new multi-purpose building here at Rio. Phase I of this project is complete. We have basic amenities like power, water and restrooms. We can begin using the building for some events. However, we are far from our goal of installing air conditioning, a 25 lane air gun range and furnishings. That's where we need your support. We want you to consider giving back to the club that has provided so many opportunities for you to enjoy your sport. Our agreement with the Wildlife for Tomorrow Organization, who is managing these donations, makes it possible for **YOUR DONATION TO BE TAX DEDUCTIBLE**. We have created a sponsor recognition program to recognize anyone who steps up to help RSSC with this project. A sponsor wall of fame will be installed inside the new facility for the purpose of displaying the names of all those who stepped up with financial support. Individuals or organizations may donate. You can donate at the RSSC main office or the RSSC web site and click on the "Building Project Donation" link. or you may mail your donation to:

Wildlife for Tomorrow  
RSSC/Phase II Project  
5000 W. Carefree Hwy  
Mail Box DOHQ

The following sponsor categories will be recognized and displayed:

SILVER SPONSOR - \$500 to \$999

GOLD SPONSOR - \$1000 to \$4999

PLATINUM SPONSOR - \$5000 plus
