SCTP NATIONALS IN OHIO

We would like to give a HUGE Thank You to the Rio Salado Sportsman's Club for their support of the five Rio Salado Target Terminators that went to the SCTP Nationals for a week in July. We were well represented by these athletes and their great parents.

Kelly Seifert
Cristian Lee
Will Barmettler
Gabiella Lee
Jordan Sapp

As they say, if you don't like the weather, wait 15 minutes and it will change! Our athletes shot in sunshine and down-pours!!! That's part of the unique experiences of shotgun shooting events. Ask the athletes about their adventures!

The athletes enjoyed competing in a variety of events including: Sporting Clays, Skeet, Trap, Doubles Skeet, and Doubles Trap. There were some personal bests and new gun purchases which added to the excitement.

THANK YOU to our athletes and parents as they made this trip a GREAT ONE!
